Assignee

Overview

Highlights 'Unassigned' and 'Assigned to me' issues.

Highlighting

1. [orange] assignee = currentUser()
2. [red] assignee is empty

Overdue

Overview

Helps to control deadlines. Highlights issues which are already overdue or will be overdue soon.

Highlighting

1. [red] duedate < now()
2. [orange] duedate < 3d

Resolved

Overview

Provides better indication of resolved issues.

Highlighting

1. [green] resolution is not empty

Workratio

Overview

Highlights discrepancy between time spent and original estimated time. The color is red when time spent exceeds the original estimate, and orange when time spent is greater than 75% of original estimate.

Highlighting

1. [red] workratio >= 100
2. [orange] workratio >= 75
