[End-User License Agreement \(PDF\)](#)

End of Life:

- For beta and release candidate versions: Beta versions may be scheduled to expire after a certain amount of time. The lifespan of such pre-release versions is not supposed to be longer than 3 months. You will need to upgrade to a newer version before end-of-life.
- For other versions: You will be able to use this version of the plugin indefinitely; however, after end-of-life date, support for the version is limited.
