

# Getting Help

Should you have any questions or need assistance (whether regarding a feature of Structure or a personal need), we encourage you to refer to our [Structure User's Guide](#) or contact our support team.

## Resources Within Structure

If you have a question or need assistance while working with Structure, click the **Info** link at the bottom right corner of the Structure Widget. This contains links to a list of keyboard shortcuts, our resource documentation, and our support services.
