Special Columns

Some columns in the Structure widget are special. They either display structure-specific information or allow you to perform actions with the issues in the structure.

- Summary Column The Summary column displays the issue summary and part of the issue description. Sub-issues have the text in the Summary column indented relative to their parent issue.
- Progress Column The Progress column displays the aggregate issue progress, based on the issue's state, time tracking info and its sub-issues.
 Type-Priority (TP) Column TP column displays icons for issue type and priority.
- Time Sum Columns Time Sum columns allow you to see the Total Time Spent, Total Remaining Estimate and Total Original Estimate for
- Images Column Images column displays small thumbnails of the attached image files and allows to view those images in a pop-up dialog.
 Flags Column The flags are the small icons displayed at the left side of the table to mark specific issue states.
- Multi-Selection Column The Multi-Selection column lets you select more than one issue for operations like drag-and-drop.
- JIRA Actions Column The JIRA actions column displays the gear button that calls out the menu with available JIRA actions for the issue.
