

Flags Column

The flags are the small icons displayed at the left side of the table to mark specific issue states.

Structure displays the following flags:

	Resolved flag means that the issue's Resolution field is not empty. Such issue is considered completed and filtered out by the Unresolved button.
	Read-only flag means that the current user does not have Edit Issue permission on this issue, so you cannot edit this issue . Additionally, if the structure is configured to require Edit Issue permission on Parent Issue , you cannot change or rearrange the immediate children of this issue.
