

Editing Issues

In the Edit Mode, Structure widget lets you change fields of an issue right on the issue grid. This lets you quickly update issues without leaving the web page.

Editing works on every page where Structure widget is displayed. However, there are some limitations when [editing issues from the Structure Gadget](#).

- [Entering Edit Mode](#)
- [Changing Fields](#)
- [Using Keyboard in Edit Mode](#)
- [Correcting Input Errors](#)
- [Editing from Gadget](#)
- [On E-mail Notifications](#)

You need Edit Issue permission on the issue to edit its fields. If you don't have the permission, a [read-only flag](#) is shown.
