

When Structure is Available for Free

Structure automatically installs a free license if your Jira instance runs on one of the following free licenses:

- Free license for **open-source** projects
- Free license for a **non-profit** organization
- Free **community** license
- Free **demonstration** license
- Free **developer** license

The clauses from the Atlassian EULA that govern the use of those free licenses also apply to using Structure on Jira servers where these licenses are installed.
