When Structure is Available for Free

Structure plugin automatically installs a free license in case your JIRA runs on one of the following free licenses:

- Free license for **open-source** projects;
- Free license for a non-profit organization;
- Free community license;
- Free demonstration license;
- Free developer license.

The clauses from the Atlassian EULA that govern the use of those free licenses also apply to using Structure on JIRA servers where these licenses are installed.
