

Getting Started with Structure

Structure comes with a short tutorial that is recommended for everyone who starts working with Structure and for those who have previous experience with Structure 2.11 or earlier. The tutorial is available under **Structure | Get Started** menu.

As it takes some (reasonable) effort to learn Structure before starting to use it efficiently, consider sending out a link to this page to every user in your company who might have use for Structure.

Introduction

Structure lets you build hierarchical lists, called **structures**, and share them with your
