

# Structure Board

Structure Board is a full-screen view which gives you access to all the features available in Structure.

The main elements of the Structure Board are:

- **Structure Toolbar.** At the top of the Structure Board, the [Toolbar](#) gives you access to the main functions for building and working with structures.
- **Working Panels.** The left panel always displays the [structure widget](#) or [search results](#), while the left panel can display another structure widget, [issue details](#), [history](#) and other features based on the add-ons you have installed.
- **Status Bar.** At the bottom of the Structure Board, this shows the number of items currently displayed, links for the **Undo** operations and notifications.

The screenshot displays the Jira Structure Board interface. The top navigation bar includes 'Jira Software' and various menu items. Below the navigation bar is a toolbar with icons for adding, deleting, and moving items. The main area is split into two panels. The left panel, titled 'SAFe Overview', shows a hierarchical tree of items including 'Portfolio Overview', 'SAFe Theme 2', 'SAFe Epic 2', 'Team A Story 8', 'Sub-task 1', 'Sub-task 2', 'Team A Story 9', 'Team A Story 10', 'SAFe Epic 1', 'SAFe Epic 3', 'SAFe Theme 1', 'SAFe Theme 4', and 'SAFe Theme 3'. Each item has a count and a progress bar. The right panel, titled 'Issue Details', shows details for 'Sub-task 1', including its type, status, priority, resolution, affects version, fix version, labels, sprint, and story points. It also shows the assignee, reporter, votes, and watchers. At the bottom, a status bar indicates 'Showing 62 items' and an 'Info' icon.

To open the Structure Board, click **Structure** in the top navigation menu in Jira and select the specific structure you want to see.

If the structure you need is not listed in the menu, there are several options:

- At the bottom of the Structure menu, select [Manage Structure](#). From the Manage Structure page, you can browse and search for available structures.
- Open another structure and [switch between structures](#) on the Structure Board.
- If you know the structure ID, you can open it directly with a URL:  
`http://your.jira.address/secure/StructureBoard.jspa?s=structure-id`

## Keyboard Shortcut

Press **g** and then quickly **s** on any Jira page to open the Structure Board with the structure you opened last. (*Go Structure*)

## Save Time!

You can make the Structure Board your [Jira Home page](#).
