

# Editing from Gadget

The Structure Dashboard Gadget allows editing issues too, but due to some incompatibilities between field editors and gadget framework, not all fields can be edited.

The following Jira fields are editable from Structure Gadget:

- Summary
- Assignee
- Issue Type
- Priority
- Reporter
- Security Level
- Original Estimate
- Remaining Estimate

To edit other fields, open Structure Board, an issue page or any other page with the structure.

To be able to edit the fields in the gadget, the user should have permissions to edit them, and the fields should be present on the Edit Screen.

[Structure Notes](#) can also be edited in Structure Gadget.
