

Copy Configuration

If you need two or more similar (but different) configurations, you can start by creating a copy of an existing configuration.

Create an Exact Copy

If you want to create an identical copy of an existing configuration, open the [Gantt Chart Settings](#) screen and click **Manage configurations**.

Gantt chart Settings

Edit the options below to configure Gantt chart for this structure.

Project Start Day

Start Day *

Project Start Day defines the starting point for automatic scheduling.

Gantt chart Configuration

Configuration *

Gantt Docs

[Edit](#)

Gantt Configuration defines scheduling, dependencies and resource settings.

[Manage configurations](#)

Find the configuration you want to copy, open it's Actions menu (...) and select **Copy**.

Gantt chart Configurations

Create New Configuration

Active	Name	Actions
<input checked="" type="radio"/>	Gantt Docs Gantt configuration for structure "Gantt Docs"	Edit <div><div></div><div>Copy</div><div>Delete</div></div>
<input type="radio"/>	Gantt Q&A	
<input type="radio"/>	Great New Name Custom configuration for perfect Gantt charts!	Edit ...

This will create an exact copy of the original configuration, which you can rename and customize as necessary, without affecting the original.

Create a Copy with Changes

You can also open an existing configuration, update it and save your changes as a new configuration.

To do this, open the original configuration in [Gantt configuration](#) and make any necessary changes. Instead of clicking the **Save** button, click **Save as Copy**

Custom Configuration

×

🔧 **General**

📅 Scheduling

🔗 Dependencies

👤 Resources

Name *

Custom Configuration

Description

Custom configuration for perfect Gantt charts!

Chart Calendar *

40 hours per week

The selected work calendar will be used for displaying the Gantt chart.

Owner

admin

Only the owner and Jira administrators can change the configuration. When there is no owner, the configuration is publicly modifiable - anyone who has permissions to create new structures is allowed to edit the configuration.

☐ Shared configuration

Shared configurations can be viewed and used by any user.

Save as Copy

Save Cancel

Give the new configuration a unique name (1). If you want to switch to the new configuration, check the **Make new config active** checkbox (2); otherwise, leave it blank.

Create Copy

Name *

Great New Name

☒ Make new config active

Create Cancel

Any changes you made from the original configuration will now be part of the new configuration. The original configuration will remain unchanged.
