Structure Columns

Structure provides a number of columns that display information about issues in the structure. You can customize the displayed columns by adding new columns, changing each column configuration, or switching to a new view.

Out of the box, Structure provides the following columns:

- Issue Key Column
- Summary Column
- Field Columns
- Icons Column
- Progress Column
  - Progress Based on Time Tracking
  - Progress Based on Resolution Only
  - Progress Based on Status
  - Progress Based on Percent Field
- Images Column
- Work Logged Column
- Flags Column
- Jira Actions Column
- Sequential Index Column
- Notes Column
- Totals Columns
- Time in Status Column
- Status Category Column
- Count Sub-Items Column
- Count Leaves Column

Structure also contains extension API, so the selection of available columns may be extended by a third-party plugin.
